

D6 Refrigeration Monitor Order Guide

1. To start your order, open any web browser and go to www.d6labs.com/nbcorder. This will bring up the following order form:

The screenshot shows the 'Restaurant IoT™ Order' form. At the top, there is a shopping cart icon and the title 'Restaurant IoT™ Order'. Below this, there is a section for 'Offer Code (Optional)' with a text box containing 'NBC2019'. A blue arrow points from the text 'See the end of this guide for the various offers and pricing. Select your offer and enter the Offer Code here.' to this text box. Below the offer code section, there is a 'Signup for New Account' section. It includes a link 'Already have an account? Login here!'. Below this, there are four text boxes for account creation: 'Company Name' (with a note: 'Please, enter your DBA or entity name, not the name of the brand, unless you are corporate.'), 'Email' (with a note: 'Your email will also be used as your username.'), 'Password', and 'Confirm Password'. A blue arrow points from the text 'This information is used to create your Company Account and a User Account for you. Your email address will be your username. Your username and password are the credentials you will use to login to the Whisker.io® portal once your account is setup.' to the 'Company Name' text box. At the bottom right of the form, there is a green 'Start Order' button. A blue arrow points from the text 'Once you are certain the information is correct, click "Start Order".' to this button. At the bottom left of the form, there is a link 'Check all our Offers!'.

2. The next screen is used to gather company, billing, and contact information.

The screenshot shows the 'Company Information' form. It is divided into two main sections: 'Company Information' and 'Billing Contact Information'. The 'Company Information' section includes: 'Company Name' (with a text box containing 'Sunshine Bakeries' and a note: 'Please, enter your DBA or entity name, not the name of the brand, unless you are corporate.'), 'Billing Address' (with a text box for 'Address (line 1)' and a note: 'Address (line 2, optional)'), and 'City/State/Zip' (with text boxes for 'City', 'State' (a dropdown menu), and 'Zip'). A blue arrow points from the text 'The company name is copied from the previous screen, but you can edit it if required. The billing address is required for billing purposes.' to the 'Company Name' text box. The 'Billing Contact Information' section includes: 'Full Name' (with a text box for 'Full Name'), 'Phone Number' (with a text box for '+1 () - - -'), and 'Email' (with a text box for 'Contact Email'). A blue arrow points from the text 'The billing contact is the person in your organization that we would need to contact if there are any billing issues. Please include a phone number and email.' to the 'Full Name' text box.

D6 Refrigeration Monitor Order Guide

Your Information:

Name: First Middle (optional) Last

Phone Number: +1 () - -

[Check all our Offers!](#) | [Close Order Form](#)

Please enter your name and phone number. If you want to receive alerts, this phone number will be used for that purpose.

Once you are certain the information is correct, click **"Continue"**.

3. Next, you will add new locations to your order. This allows you to customize your order for each location. Click **"Add Location"** to start.

Restaurant IoT™ Order

Configured Locations:

Location Name	Content
No locations created yet...	

[Billing Info](#) [+ Add Location](#)

[Check all our Offers!](#) | [Close Order Form](#)

Location Name should be in the format:
"Nothing Bundt Cakes – Dallas #13"

For each location, you need to enter the location information and indicate what you want to order for this location. The manager's phone number will be used as an initial alert contact for this location and the manager will receive text alerts at that number.

The pricing reflects any special offers tied to the Offer Code you used in the beginning of the process.

You can also add additional cold storage sensors by clicking the green '+' button.

You can change the sensor names by clicking on the name and changing the text. NbC Facilities suggests that you use **"Walk-in Cooler"** and **"Walk-in Chiller"** to keep all Bakeries consistent. This allows NbC Facilities to assist if they see out of range temperature issues.

Once you are satisfied with the order for this location, click **"Complete Location".**

Restaurant IoT™ Order

Location Information

Location Name:

Address: Address (line 1)
 Address (line 2, optional)

City/State/Zip: City State Zip Code

Ship to Location? ☒ (Yes)

Manager Information:

Full Name: Name

D6 Refrigeration Monitor Order Guide

4. Repeat Step 3 for all locations. Click the trashcan icon to remove a location and the pencil icon to edit a location's configuration.

The screenshot shows the 'Restaurant IoT™ Order' form. Under 'Configured Locations:', there is a table with one entry: 'NBC Dallas #1234' with content '1x Smart.Hub™, 1x Refrigerator, 1x Freezer'. To the right of this entry are edit (pencil) and delete (trashcan) icons. Below the table are buttons for '< Billing Info', '+ Add Location', and '✓ Finish'. At the bottom left are links for 'Check all our Offers!' and 'Close Order Form'.

Once you have all locations configured properly, click **"Finish"** to complete the order.

5. Once you finish configuring locations, you are presented with an overview of your order. To finish the order, check the box that indicates that you have read the subscription agreement and click **"Continue"**.

The screenshot shows the 'Restaurant IoT™ Order' overview page for 'Sunshine Bakeries - Offer Details'. It includes a table with the following data:

Location	Products	Your Cost Today	Recurring Cost
NBC Dallas #1234	1x Smart.Hub™, 1x Refrigerator, 1x Freezer	\$750.00	\$200.00 /yr.
Your Cost Today Includes Hardware + 1 Yr <i>Shipping cost not included *</i>		\$750.00	
Recurring Cost Starting in 12 Months		\$200.00	

Below the table, a note states: '* Shipping cost (through UPS Ground) will be determined when your kit is completely assembled and ready to ship!'. A checkbox is present with the text: 'I have read the [Subscription Agreement](#) and Offer Details and agree to their terms and conditions.' Navigation buttons include '< Locations Setup' and 'Continue'. At the bottom left are links for 'Check all our Offers!' and 'Close Order Form'.
